

CALL FOR PAPERS

Paper must be submitted in IEEE format.

Paper size	: A4
Margins (Top, Bottom, Left, Right)	: 1"
Font	: Times New Roman
Title of Paper	: 14
Bold Heading	: 12
Bold Sub-Heading	: 11
Bold all Running Matter	: 10

Total no of pages must not exceed 6 pages.

Only Soft copies in pdf format must be submitted through email to communiquest12@gmail.com

IMPORTANT DATES

Submission of papers	: 10/02/2012
Intimation of acceptance	: 15/02/2012
Last date for registration	: 25/02/2012

REGISTRATION

The enclosed registration form should be filled and send to the Convener with the registration fee before the last date given above. The registration fee can be paid through Demand Draft drawn in favour of " Association of Electronics & Communication Engineers (AECER) RGCE", Payable at Sriperumbudur.

REGISTRATION FEE

Delegates from industries	: Rs. 1500
Academic Staff	: Rs. 1000
PG/Research scholar	: Rs. 750
UG students	: Rs. 300

ADVISORY COMMITTEE

Dr.V.Mohan
Advisor
RGCE, Chennai
Dr.E.B.Singh
Director, Student Affairs

CommuniQuest '12

1st National Conference on Signals, Computing
& Communication

7th MARCH, 2012

ABOUT THE COLLEGE

Rajiv Gandhi College of Engineering was established in the year 2001 by Gulf Returnees Educational Society approved by AICTE, New Delhi and affiliated to Anna university. The college is an ISO certified institution and offers 7 UG and 2 PG Programmes. Churning out Petroleum engineers every year adds to the honour of the college.

The college is situated 3km interior to the Chennai - Bangalore highway. The college has excellent infrastructure and a serene environment. We have well equipped laboratories, Digital Library and other general amenities. There are abundant no. of latest Computer systems with advanced software.

ABOUT THE DEPARTMENT

The Department of ECE is one among the three departments started in the the year 2001, The department offers one UG (ECE) and one PG (Applied Electronics) programme. The department has a team of well qualified, experienced and dedicated faculty members with industrial and research background. The department subscribes a number of National and International Journals. The students and staffs are encouraged to publish their work in various conferences. Every year the department host a technical symposium where candidates from other colleges participate & exchange ideas.

ABOUT THE CONFERENCE

Rapid strides and technological advancement in the field of Communication Systems have changed the global scenario. The aim & aspiration of the conference is to exhibit the technical dexterity of budding, technocraft research scholars, representatives from academics and industries. This Conference focuses on the ingenuity of charismatic research scholars to be mustered under one roof with a national outlook.

CONFERENCE TOPICS

Both academia and industries are invited to present their paper dealing with state-of-art research and future developments. Original papers are solicited in subjects including, but not limited to the following:

1. High performance VLSI Signal Processing
2. Programmable/Reconfigurable Architectures
3. Wireless and Mobile Communication
4. Adhoc Networking
5. Multimedia Authoring and Application
6. Image and Video Signal Processing
7. Bio-Signal Processing
8. RF/Microwave/Millimeter wave Communication
9. Fiber Optic communication System
10. Nano Technology

ORGANIZING COMMITTEE

Shri. JACOB GEORGE

General secretary

Shri. K.A MATHEW (Retd.I.A.S)

Director

Shri. GEORGE JACOB

Chief Executive Officer

Dr. AROKY RAJ U

Principal

Pondian Mr.V.Mohanraj Ms.R.Sreebama Mr.R.Ganesamoorthy	Sub:Call of papers-COMMUNIQUEST ' 12 - Reg. We take immense pleasure in informing you that the department of Electronics and Communication Engineering of our college is organizing a National Level Conference on "Signals, Computing & Communication - COMMUNIQUEST'12 " on 7 th March, 2012. We are herewith enclosing the brochure containing details about the Conference. This conference is targeted at the students, academicians and representatives from industries to bring out their technical creativity and will be a forum for them to express their technical expertise. We are inviting some renowned experts for keynote address and many distinguished delegates and experts to participate in the conference. We request you to kindly circulate / display this brochure in the various departments of your organization, So that interested students & faculty members can submit their reasearch findings for the conference.
	Thanking you. With Warm regards, CONVENOR Communiquest ' 12
